

Portfolio Solutions

The solution for portfolio driven market segments:

For client groups or portfolio's with a homogeneous risk profile we offer three specialised business- and servicemodels. Designed to offer speed, ease of trade and quality.

Our business and service models

Flow

For companies and freelancers with insurance related questions that can be managed in a standardized way, we offer selected insurance solutions via our brokers. We provide a service model that combines a cost-effective way of working with Quality, Speed and Easiness.

DUA (Volmacht)

AIG has the option of delegating authority to quote, bind and issue on behalf of AIG for large portfolios or specific target groups which can be managed in a standardized way. For DUA partners we are a stable partner providing knowledge and services and managing partnerships with clarity and reliability.

Create & Go

With Create & Go we support organizations in increasing customer loyalty, strengthening their competitive position and generating income. We co-create tailor made insurance solutions, locally or multi-country, that fully fit into the (online) journeys for customers. Our client base consists of for example online platforms, insurtechs, insurance brokers or industry associations.
